Aztec Stone is a three piece large-format modular system. They add rustic beauty to patios, walkways, and more. The natural textured composition lends an elegant feel to any paver project.

above: Slate
Veneer Pavers

Veneer Pavers make home pool-area remodels quick and lastingly beautiful. Install over existing concrete or cool-decking. Pool edge coping element adds facing down the pool wall.

Veneer pavers are often different shades from Regular pavers of the same color blend due to differences in manufacturing processes. We advise not to use the two thickness types in the same project area.

Hotels and Apartments love our Veneer Pavers for fast installation with short “out of service” pool closings, and improved appearance of their courtyard areas.

Split-face texture and color blend options make Mesa Wall Block a design favorite. These Wall Blocks are key-stoned to allow for curved features with minimal cuts. The Caps are rectangular to finish straight or be trimmed for curved walls.

**above:** Planter – Mesa Wall with Caps
Column – Mesa Wall Caps cut on location.
All in Territorial.

**above:** Build a Column – Pre-split Caps,
Sold by the 4” high course.
16 x 16 x 4, shown in Territorial.

**above:** Barbecue area, Mesa Wall Caps – split on site, in Native.

**above:** Wall Blocks with Caps in Tierra Norte.
Paver Circle Kits

Circle Kits provide gracefully curving elements and circles. These circles can be extended to wider diameters.

- 4’ diameter = 15 sqft (kit size)
- 6’ diameter = 28 sqft
- 8’ diameter = 51 sqft
- 10’ diameter = 79 sqft
- 12’ diameter = 113 sqft

\[ \text{Area} = 3.14 \times r^2 \]

Each circle requires one 4’ diameter kit (covering 15 sqft). The remainder is built with standard pavers.

Something more, Our Guarantee

Phoenix Paver Manufacturing LLC is pleased to offer the following guarantee.

We guarantee our products against manufacturing defects for as long as you own your home. Pavers must be installed according to (Interlocking Concrete Paver Institute) installation guidelines.

Phoenix Paver Manufacturing LLC limits their responsibility only to material of their production. Material will be replaced on an one-for-one basis for each item deemed defective by PPM LLC, and will be drawn from products meeting current design standards at the time of replacement.

We can not guarantee exact match, but will make an effort to provide acceptable replacements. This guarantee applies only to non-commercial projects and does not include extraction or replacement labor cost. Home-owner’s proof of purchase is required.

Please contact us with any questions.
